# Brick by Brick...

No kingdom is built by just one person. It's built when each person does their part, lending their hands to the work. That's the principle working here at Freedom House Church: With Jesus as our foundation, we're building God's kingdom right now! Brick by brick, we're building a place to equip people to experience Christ's freedom everyday—then go out to share that freedom with the world. Let's build God's kingdom together!

**Together We Can!** We can reach our \$25,000/month goal together if...
